This page to be completed by the Supervising Climber

Novice climbers are not registered with The Castle Climbing Centre and must not climb or boulder in the centre without supervision. They are your guest and by signing this form you are taking full responsibility for their safety while in the centre and for any damage or injury they may cause to other people, regardless of their ability or level of experience.

Competent, adult climbers should complete a One-Off Registration Form.

Supervision within this context means:

- When you are supervising you must remain in position to assist them as required.
- When they are climbing (including bouldering) you must remain with them at all times.
- It is best practice to always back up the brake rope when teaching someone to belay.
- If you are supervising a minor you must have the permission of their parent or guardian to supervise them climbing indoors.
- Particular care should be taken at all times when supervising children in the centre.

It is your responsibility to ensure that you use all equipment according to the manufacturer's guidelines and best practice. If you are unfamiliar with your guest's equipment or would like assistance please speak to the Duty Manager.

IF YOU DO NOT FEEL ABLE TO PROVIDE SUCH SUPERVISION THEN YOU SHOULD NOT COMPLETE THIS FORM.

I agree to supervise the following climber(s): *(Print names of climbers to be supervised below)*
